Information on patent family members

International application No.

PCT/SG2004/000176

This Annex lists the known "A" publication level patent family members relating to the patent documents cited in the above-mentioned international search report. The Australian Patent Office is in no way liable for these particulars which are merely given for the purpose of information.

Patent Document Cited in Search Report			Patent Family Member					
EP	0834964	JР	10116654	SG	55965	US	5807137	
US	5896274	EP	0794698	JP	9245143			

Due to data integration issues this family listing may not include 10 digit Australian applications filed since May 2001.
